EIGHTH ANNUAL MESA Social Cruise Thursday, July 27th from 3:30pm to 7:00 pm

Dear Industry Friend:

Springtime is finally here and the beautiful summer evenings are just around the corner. What better way to spend some time after work than sailing with friends. The Massachusetts Elevator Safety Association (MESA) would like to invite you to participate in our eighth annual social event. We are setting sail for a three hour sunset boat cruise from North Quincy, Massachusetts around Boston Harbor and the islands.

The cruise on the Boston Belle, leaves from the boardwalk, water side of Captain Fishbones, 332 Victory Road, North Quincy, Marina Bay on Thursday, July 27, 2017 just before 4:00. Check-in starts at 3:30, we will sail just before 4:00 pm. The cost is only \$35 per person, including hors d'oeuvres, music, and fun.

Additionally, you may sponsor the event and get your company's name in front of the Massachusetts Elevator Industry. With a sponsorship, your company's name will appear on the sponsorship list, listed in the advertising information/press release, and includes two tickets to sail.

The first floor of the boat is ADA accessible with assistance, learn more at www.bostonbellecharters.com

We look forward to having a great time on the water, appreciate your support and hope you will join us on July 27th for an afternoon of fun and friendship. If you have any questions, please contact or email me at Andrea.Hunt@LerchBates.com.

Sincerely,

MESA Membership Committee

Andrea Hunt Dave Gaudet Ursula Guthrie

PS- Space is limited to only 55 scallywags, so be sure to sign up soon. Reservations are first come, first served and must be submitted on the attached form with full payment.
